COMPREHENSIVE SCHOOL LEADERSHIP AND FEDERAL PROGRAMS SUPPORT PLAN

Stronger leadership.
Purposeful strategy.
Sustainable improvement.

Strategic Schools Solutions LLC provides practical, affordable support for public schools, charter schools and districts.

OUR PURPOSE

A partner in the work.

We work alongside school leaders to strengthen instruction, leadership systems and federal programs administration. Our approach begins with your priorities and builds on the strengths already present in your school.

OUR LEADERSHIP

Experience at every level.

Demond P. Mullins brings experience as a classroom teacher, assistant principal, elementary and high school principal, and district curriculum and federal programs administrator. S3 connects the daily realities of schools with district-level planning and accountability.

OUR METHODOLOGY

Assess. Align. Advance.

ASSESS — Leadership consultation, comprehensive needs assessment and evidence collection.

ALIGN — Needs analysis, root cause investigation, prioritization and a customized strategic action plan.

ADVANCE — Implementation, technical assistance, progress monitoring and evaluation.

SCHOOL SUPPORT

Strengthening principal leadership.

Principal coaching and mentoring; classroom observations and feedback; academic data analysis; PLCs; curriculum implementation; MTSS; ACIP monitoring; leadership team development. Services are selected with the principal based on identified needs.

FEDERAL PROGRAMS

Maximizing federal resources.

Title I, II and IV technical assistance; consolidated applications; budget development and monitoring; program evaluations; carryover planning; monitoring readiness; procurement and documentation review. All services are subject to applicable program rules and client approvals.

PRINCIPAL SUPPORT PRICING

Flexible partnerships.

Package A — 1 day per month: $400
Package B — 2 days per month: $750
Package C — 3 days per month: $1,050
Package D — 4 days per month: $1,300

Federal programs support is scoped separately. Travel, hours and deliverables are agreed in writing.

NEXT STEPS

Your priorities. Our starting point.

Begin with a complimentary leadership consultation. Together we identify priorities, select the appropriate scope of support and establish a plan for measuring progress.
